

Careers In Construction Is Quail's Charitable Arm, Focusing On Workforce Development In Southwest Washington

Careers in Construction Core Purpose: Lead the efforts in providing top notch facilities, programing and networking for growth of C.T.E Construction Programs in Southwest Washington.

Grand opening of the Ridgefield High School
new Skilled Trade Center

Heritage High School students teach Orchard Elementary School students how to build a tool box.

Introducing skilled trades to our future builders!

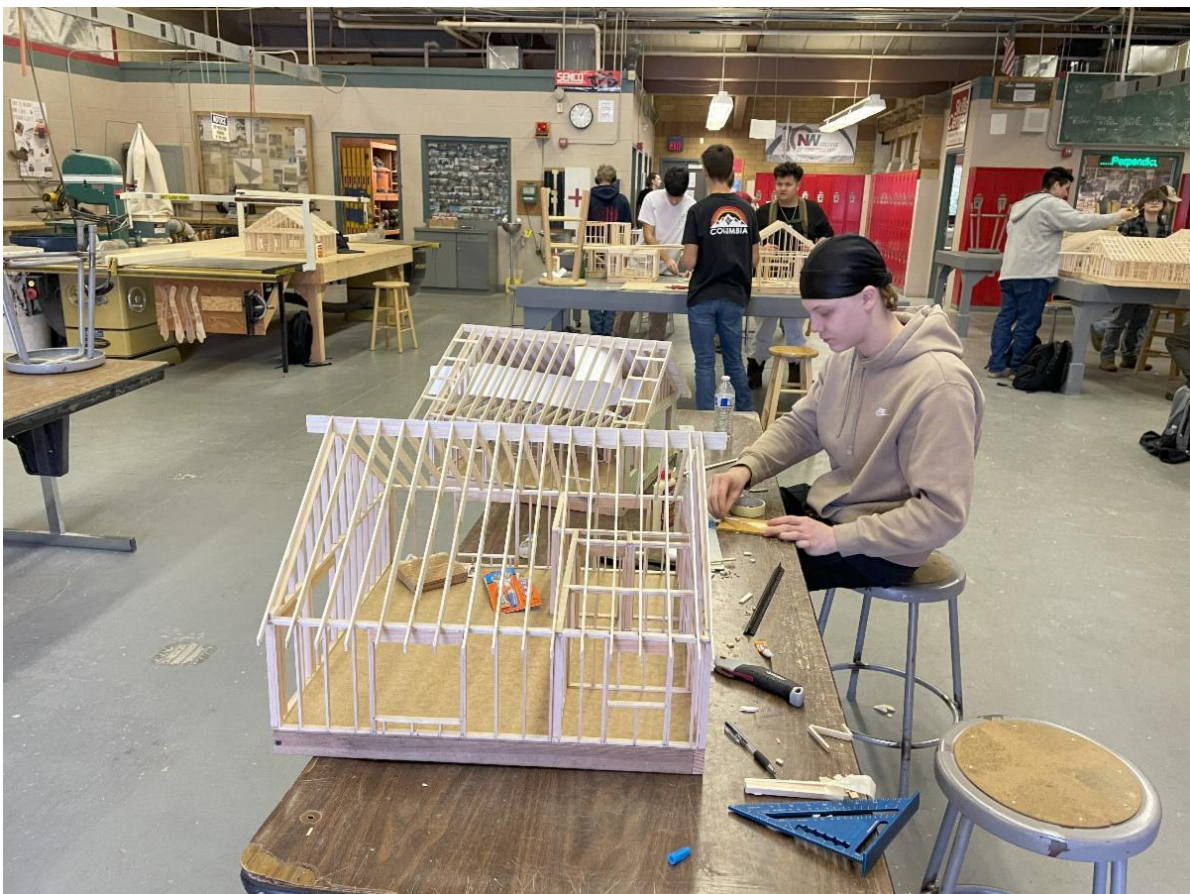

Southwest Washington Youth Contractors Forum - Over 70 students attended!

A job fair sponsored by Southwest Washington Contractors Association.

Cascadia Tech Academy students building housing prototypes

Mike Rowe, a huge advocate for the skilled trades, is working hard to

redefine the definition of a good education and a good job, through his "Mike Rowe Works Foundation".

Helping to inspire the younger generations and show them that there are other successful career paths available.

Below is a photo of Jon Girod and Mike Rowe at the International Building Seminar.
