## Careers In Construction Is Quail's Charitable Arm, Focusing On Workforce Development In Southwest Washington

**Careers in Construction Core Purpose:** Lead the efforts in providing top notch facilities, programing and networking for growth of C.T.E Construction Programs in Southwest Washington.

We started our efforts in 2021 with fewer than 100 students enrolled in construction classes in Southwest Washington. Now over 1,250 students are enrolled in construction classes in the 2024-2025 school year!

## Dozer Day

Renee Nutter, the Founding Chairperson of Dozer Day, received a personal thank you from Congresswoman Marie Gluesenkamp-Perez

It is remarkable to have the support of such an influential person and advocate for our goal to develop C.T.E and Construction Programs for the children in Southwest Washington!
