

Careers In Construction Is Quail's Charitable Arm, Focusing On Workforce Development In Southwest Washington

Careers in Construction Core Purpose: Work with local schools to increase student participation, advance facilities, curriculum, and networking so that students can obtain quality jobs in the building industry upon graduation.

Building Futures from the Ground Up

A huge thank you to Vision Concrete, Carson, and his incredible team for generously donating their time and expertise to lay the foundation for the new Skilled Trade Center at La Center High School. Your dedication is not just pouring concrete—it's paving the way for the next generation of skilled trades professionals!

A site walkthrough of the new Hudson Bay Skilled Trade Center –
Excitement builds for the Grand Opening on May 20, 2025!

Terry Wellner delivers Nucor steel for Fort Vancouver High School's new Skilled Trade Building – Construction kicks off March 3rd!

Inspiring Young Builders: The Toolbox Event

Columbia River High School construction students teamed up with Eisenhower Elementary to spark an early passion for the trades! Through the Toolbox Event, young students got hands-on experience, learning the basics of building while gaining confidence with real tools. The future of construction starts here!

Washougal High School construction students joined forces with Cape Horn-Skye Elementary to introduce young learners to the world of building! Sparking curiosity, creativity, and a passion for the trades.

Double the Toolboxes, Double the Fun!

This young builder came prepared! Before the event, she practiced her skills by building a toolbox with her dad—what an awesome way to learn together!

Now, with her event-day toolbox in hand, she's ready to take on even more projects. Shout-out to Dad for being such a great role model and supporter!

A Community That Builds Together!

A huge THANK YOU to the incredible Washougal staff and volunteers who made the Toolbox Events a success! With their dedication and hard work, over 180 toolboxes were built last week—empowering the next generation of builders, one toolbox at a time!

How to Help

Donate Here

Would you like to support the Careers in Construction Charity?

Click on the above button to donate.

Every little bit helps to support us in getting resources out to the kids in our community.

Together we are making a difference!
